Penny Imaging Exchange Will Exhibit at AIIM's *Document Management Service Providers Executive Forum*

Bohemia, NY (PRWEB) June 18, 2009 — Penny Imaging Exchange, Inc. is scheduled to exhibit at AIIM's **Document Management Service Providers Executive Forum** scheduled for November 5-7, 2009 at the Doubletree Paradise Resort in Scottsdale, AZ. Booth information forthcoming soon.

The **Executive Forum** provides many organization leaders whose businesses are in document imaging/ conversion/ preservation services, etc. with valuable education and information in understanding and overcoming the challenges associated with the management of document management. The open forum allows business executives to share ideas about business processes, best practices as well as discuss new advancements in technology. It's an ideal peer-to-peer networking event which fosters mindshare to compare past experiences and ideas for future business development; all done in a vendor-neutral platform.

According to Hellman Chica, President of Penny Imaging Exchange, "We have been an active participant for the past 5 years. It's one of the few industry shows where attendance levels have increased each year. It's an excellent event where I get the face-to-face interaction with some of the most prominent minds in the industry."

Penny Imaging Exchange is the perfect partner offering wholesales services for imaging software providers, consultants, vendors, service bureaus and other imaging professionals. There is no need for them to buy an expensive piece of equipment and put their staff through countless hours of training. PIE does the work more efficiently and reduces cost by offering scanning of microfilm, microfiche, aperture cards, books & newspapers, image processing, custom branded web repository, fax-to-image routing, segmentation software etc.
